CSU Window Cleaning RFP #5052DT, Addendum #1, Questions and Answers

1. Is there a walk-through of the buildings for the Window Cleaning Bid? **No, but a campus map is provided.**
2. Could you please send me a list of which buildings have anchor points installed on the roof? **None of our roofs have anchor points. Counterweights or tying off to the building is what has been done by the contractor in the past. Most of the buildings are cleaned with a lift. Berkman Hall, Rhodes Tower and Fenn Tower are the only buildings that would need repel equipment**
